

IMPULSE

CONGRESS SEEFELD - SETS NEW IMPULSES!

Welcome

Olympiaregion Seefeld

Power Source: for incentives and conventions

Olympiaregion Seefeld, comprising five mountain village towns, spreads across a geologically unique high alpine plateau at 1,200 meters altitude which opens wide towards the south. Surrounded by Alpenpark Karwendel, largest nature reserve in the Eastern Alps, nature preserve Wildmoos and the Wetterstein Massif, the region is an ideal setting for incentives, conferences, seminars and conventions – far removed from the hectic pace of cities.

In the heart of the Alps

Central location:

- Appx. 20 min. from Airport Innsbruck
- Appx. 1.5 hrs from international Airport Munich
- Train station at town center (fast train-stop)
- Quick access to motorways in all directions of the compass

Perfect infrastructure

An outstanding hotel landscape, mainly in 4-star and 5-star categories; a perfect communal infrastructure at the Olympia Sport and Congress Centre and WM-Hall Seefeld; coupled with an inspired fountain of ideas from our conference and incentive specialists to help you create your own perfect company event.

Culinary highlights

A bevy of restaurants and inns will provide the suitable backdrop for all your events, regardless whether you seek a rustic hut for 40 - 100 people where genuine Tyrolean specialties are prepared and served, or choose to follow the path of Gault-Millau award-winning restaurants, we have the solution for every taste and culinary craving.

Nature makes the best programmes

The possibilities for your background programmes are nearly unlimited, since their source is pure nature. You can relax, savour the scenery, liberate your mind for new endeavors. It would surely not be the first time innovative concepts were born while cross-country skiing, alpine skiing, hiking or on the golf course. Our outdoor pros will put together team building packages to provide every level of adventure in the region.

Olympia Sport and Congress Centre

The event rooms at the Sport and Congress Centre will win your acclaim: not only through the perfect technical equipment, but also the individualized, personal care which accompanies it to create and maintain an extraordinary ambience. Cozy wood paneling, lots of daylight, perfect lighting and immense flexibility in setting up your rooms, as well as ample possibilities to extend and expand the spaces into the foyers ensure you every imaginable flexibility. As a special offer, the sport and congress centre also has its own state-of-the-art cinema which can be utilised as an integral part of your event.

Congress technology

The technical equipment is selected and installed according to the individual requirements of each event. The price of the equipment is adjusted to the desired equipment selected by the event organiser. Personal technical supervision by our personnel also available as an option.

Congress catering

In the basic building, external catering service is possible. We would be pleased to assist you in selecting a local caterer. Prices on request.

Parking

In the area of the Casino Arena are parking spaces for participants and performers for your events.

WM-Halls Seefeld

The World Championship halls are perfectly suited for large-scale events. The nordic ski stars, the folk music scene and the world tourism games have all held their events in these halls. Regardless whether for presentations, concerts, trade fairs or exhibitions, the WM-Hall in Seefeld provides optimum, extremely flexible spaces for up to 2,500 people.
